CLASS: I

ALL RIGHTS RESERVED SEPTEMBER 2018

Dear Parents

"I cannot teach anybody anything, I can only make them think" -
Socrates.

Our school's indisputable interest ensures pupil's emotional growth along with intellectual excellence. This emboldens them to progress their self-esteem, self-awareness, dignity, morale and self-confidence. Imparting ideas, scrutinising situations and expressing them confidently are fundamental skills which are honed in DPS, through motivational and experiential learning.

Unprejudiced, a diverse orientation, individuality, a global outlook, intellects and aptitudes - these are the finest qualities needed today. As we live in 21st century, our school wishes to set an approach to learning that incorporates inquiry, research, analytical thinking and an ethical approach that becomes a lifetime habit. The students are helped to focus on confidence building, while nurturing a strong sense of social and environmental responsibility through academic and co-curricular activities.

Our greatest struggles always form our greatest strength.

As the results of Term Assessments are announced, it's high-time to work on flaws and rectify them. The next attempt is not very far away. So, students should analyse their areas of improvement and work towards it. 'Passion inspires action'. Instinct accelerates you to work on your dreams. One simple thing that we can do immediately is to organize and put hard- work in motion.

Honest evaluations of previous actions and examining what is important in terms of improvement will provide an exciting opportunity to re-evaluate and reframe our schedule to create a new approach in learning. This approach will assure us to gain strength, resilience and passion.

Regards,
Principal

Janmashtami(2), the birthday of Lord Krishna is celebrated with great devotion and enthusiasm in India. The Janmashtami celebration of Mathura and Vrindavan, the places where Sri Krishna had spent his life, are very special. On this day temples and homes are wonderfully decorated and illuminated.

Teachers' Day (5) is celebrated on September 5 in honour of Dr Sarvepallai Radhakrishnan. Teachers' Day is a special day for the appreciation of teachers, and may include celebrations to honour them for their special contributions in a particular field area, or the community in general.

Ganesh Chaturthi (13) is celebrated to commemorate the birth of Lord Ganesha. The preparations are intense for the 10 days and start months in advance. The celebrations were initiated by Chhatrapati Shivaji in the state of Maharashtra.

CAMPUS CLANDESTINE

The various activities related to the Theme - Birds and the Project - Nest kept the children on their toes. It enabled the children to gain an in-depth knowledge about different types of birds and eggs, life cycle of a bird, parts of a bird's body, food habits, habitats, and sounds of some common birds. The children were familiarized with the word "extinct" and understood that we share our space with birds and animals too. The concept of Ones and Tens was introduced through the Jodo Gyan Activity - Silai Mithai which helped the children to understand it in a concrete manner. The "Hand Wash Activity" created awareness on washing hands to keep ourselves healthy and fit. As part of the "Annual Theme Activity", the children were made aware of communicating politely among peers to reduce noise pollution. The Independence Day activities were no less in instilling the spirit of patriotism in their tiny hearts.

Muharram (21)

Muharram is the first month of the Islamic calendar. Some Muslims fast during daylight hours on the ninth and 10th or 10th and 11th days of the month. They may also attend special prayer meetings in mosques or private homes.

World Heart Day(29),

annual observance and celebration intended to increase public awareness of cardiovascular diseases, including

their prevention and their global impact.

THEME OF THE MONTH –CARPENTER

A carpenter is someone who builds and repairs things made from wood. Humans have been building useful products out of wood for a very long time. Today, those who make things like furniture, utensils, decorative items, toys, and musical instruments are known as woodworkers. Carpenters are a part of community helper. A community helper is a person who performs jobs that helps improve the

overall wellbeing of the community. **Community helpers** include doctors, construction workers, teachers, milk man, maids, garbage collectors, etc. It includes almost all the jobs that happen around us. The theme would help the children understand the importance of community helpers in our society. They would also learn to respect them as they make life better for us and help the community function more efficiently!

INGREDIENTS

- ✓ 6 cups sliced fresh strawberries
- ✓ 1/2 cup sugar
- ✓ 1 teaspoon vanilla extract
- ✓ 3 cups all-purpose flour
- ✓ 5 tablespoons sugar, divided
- ✓ 3 teaspoons baking powder
- ✓ 1 teaspoon baking soda
- ✓ 1/2 teaspoon salt
- ✓ 3/4 cup cold butter, cubed
- ✓ 1-1/4 cups buttermilk
- ✓ 2 tablespoons heavy whipping cream
- ✓ 1-1/2 cups heavy whipping cream
- ✓ 2 tablespoons sugar
- ✓ 1/2 teaspoon vanilla extract

METHOD

Combine strawberries with sugar and vanilla; mash slightly. Let stand at least 30 minutes, tossing occasionally. Preheat oven to 400°. For shortcake, whisk together flour, 4 tablespoons sugar, baking powder, baking soda and salt. Cut in butter until crumbly. Add buttermilk; stir just until combined (do not overmix). Drop batter by 1/3 cup 2 in a part onto an ungreased baking sheet. Brush with 2 tablespoons heavy cream; sprinkle with remaining 1 tablespoon sugar. Bake 18-20 minutes. Remove to wire racks to cool completely. For topping, beat heavy whipping cream until it begins to thicken. Add sugar and vanilla; beat until soft peaks form. To serve, cut biscuits in half; top with strawberries and whipped cream.

PROJECT OF THE MONTH – TABLE

A **table** is an item of furniture with a flat top and one or more legs, used as a surface for working at, eating from or on which to place things. Some common types of table are the dining room table, which is used for seated persons to eat meals; the coffee table, which is a low table used in living rooms to display items or serve refreshments; and the bedside table, which is used to place an alarm clock and a lamp. Not only different types of woods but various other materials like bamboo, wicker, metal, plastic, glass, etc. are used in making furniture. The project also would help the children to identify some of the common tools and equipment used by a carpenter.

PARENT PLUS

- Talk to your child - Ask your child to talk about his day at school. Encourage him to explain something they learnt in the class and in co-curricular class.
- Read together - When your child reads, get her/him to retell the story or information. If it's a story, ask them about character they liked. Encourage them to tell the story in their own words.

AMAZING FACTS

1. Table is derived from the Latin word "Tabula" which means a plank or a flat piece of board.
2. The office chairs were invented by Charles Darwin in 1800s. He wanted to get to his specimens really quick while studying which is why he incorporated wheels to his chair.
3. The word chair came from a Latin word "cathedra" meaning "sit" and "down".
